

**Stay Beside Me**  
**Ritchie Valens**

Intro: **F - Bb - F - Bb**

**F      Bb                  F      Bb**  
Stay beside me, here beside me  
**F                          C                  Gm**  
Stay beside me day after day  
**C                  C7                          C                  Bb**  
When I m feeling blue, let me look at you  
**C      Bb                  C                  C7                  F**  
Oh my darling, please won t you say

**F                          Bb                  F                  Bb**  
You ll stay beside me, help & guide me  
**F                          C                  Gm**  
Never never leave me alone  
**C                  C7                          C      Bb**  
Trust & love me, be proud of me  
**C      Bb                  C                  C7                  F**  
Let me keep your heart for my own

**Bb                  Am                  Bb                  F**  
With your love, you make me strong  
**Bb                  F                  Bb                  C**  
Come to me where you belong

**F      Bb                  F      Bb**  
Stay beside me, close beside me  
**F                          C                  Gm**  
You must know it s you I adore  
**C                  C7                          C                  Bb**  
You were meant for me, you will always be  
**C                  Bb                  C/C7      F**  
My true love for-ever more
