

Jordan
Rival Sons

G Em C
The wolves look to the moon

G Em C
And the ocean to the sky

G Em C
I've looked to you my whole life

G Em C
Now I have to say goodbye

G Em C
But to say that I've lost you

G Em C
It's a selfish thing to say

G Em C
I've never seen nothing as beautiful

G Em C
As watching you slip away

I d rather see you go in the arms of your angels
Than to keep you right here with me
I ll meet you on the other side of the Jordan
Now let your soul go free

You did it all with feeling
And failure, you took it gracefully
You said third star to the right
And straight on until morning
When you need me, you know
That's where I'll be

Now the rest of my life without you
Right now it s hard to conceive
You said, don t cry form me now
You ve got to remember
There is no death for those that believe

I d rather see you go in the arms of your angels
Than to keep you right here with me
I ll meet you on the other side of the Jordan

Now let your soul go free
