Rival Sons - Only One (Pressure & Time, 2011)
Tuning: Half-step down

The outro is quite tricky, as Scott fiddles around a lot, making it hard to point out clear chords.
Nevertheless, I think that the chords below sound quite fine, although they are not spot-on.
And now, have fun playing.

[Intro]

E D A x2

[Verse]

E **D** **A**
Under the lights, under the sheets
E **D** **A**
after all our fights, that s where we both want to be
E **D** **A**
You know that I ve got my work, but you ve got your needs,
E **D**
straight back into your arms is where this long road leads

[Chorus]

A G D A
You are my only one,
A G D A
and when times get hard I ve got to make you see
A G D A
You are my only one,
C G C G A
and that s not even half of what you are to me

[Bridge]

E D A x2

[Verse]

E **D** **A**
You re trying to keep up our home, while I m chasing my dreams
E **D** **A**
I need to hear your voice, but the telephone just rings
E **D** **A**
Another night spent alone, while I m up on the stage
E **D**
in some Midwest town refusing to act my age

[Chorus]

A G D A

You are my only one,

A G D A

and when times get hard I ve got to make you see

A G D A

You are my only one,

C G C G A

and that s not even half of what you are to me

[Outro]

E G#m F#/E G A x2

E G#m F#/E G A

And it s a long road that leads me back, back to you

E G#m F#/E A

My only Oh-oh-oh Oh~
