

Like Never Before
River Valley Church

*Capo 1

**C, G, Em, D the whole song

Verse 1

This is the day that you have made
I will rejoice, I will rejoice
This is the joy that I can't contain
I will be glad, I will be glad in it

Verse 2

This is the sound of the coming reign
You are the King, You're coming again
This is Your grace running through my veins
No chains on me, no chains on me

Chorus

Greater is He that is in me
So I will rise up, I will rise up
You have been good so I sing
Like never before, like never before

Verse 3

I am a life that has been remade
I've been redeemed, I've been redeemed
I have a hope that I can't explain
Living in me, living in me
