**River Whyless**

Capo 4

C/G: 332010

Am7/G: 320010

[Intro]

**C/G Em C/G Em** x2

[Verse 1]

**C/G Em F**

Long time lover have you gone

**C/G Em F**

I left you walking through the parking lot of a Motel 6

**Am7 Am7/G C/G Em**

As I turned our van back east

**C/G Em F**

Somewhere on the road we lost our way

**C/G**

In my mind

**Em**

In my mind

**F**

I can save us all

**Am7 Am7/G C/G**

I can breathe it all back to life

**Em**

In my mind

**F**

In my mind

[Chorus]

**Am F C/G**

I ve spent my whole life moving

**Am F C/G G**

I ve spent my whole life on a road

**F**

From a dream I m waking up

**C/G Am F**

And for the first time

**Am F C/G Em C/G Em**

I m terrified of waking up alone

**C/G Em C/G Em**

[Verse 2]

**C/G**                **Em**                **F**  
Within the shade of my delusion

**C/G**  
I drive into the night

**Em**                                **F**                                **Am7 Am7/G**  
I drive into a lie that I deemed worth living all my life

**C/G**                **Em**                                **F**  
    In my hands a child is dying

**C/G**  
In my mind

**Em**  
In my mind

**F**  
I can save the boy

**Am7**                                **Am7/G**                                **C/G**  
I can breathe it all back to life

**Em**  
In my mind

**F**  
In my mind

[Chorus]

**Am**                **F**                                **C/G**  
I ve spent my whole life moving

**Am**                **F**                                **C/G**                                **G**  
I ve spent my whole life on a road

**F**  
From a dream I m waking up

**C/G**                **Am**                **F**  
And for the first time

**Am**                                **F**                                **C/G**                                **Em C/G**  
I m terrified of waking up alone

**Em**                                **C/G**                                **Em C/G Em**  
I m terrified of waking up alone

**C/G Em G/G Em** (Strum out)
