I

G **Dsus**
Should i say or shall i hope
Em **Bm**
these much i can do
C **G**
chances been elusive seen and
Am **Dsus G**
so that loving you, let me take
 Dsus **Em**
your heart desire makes me up
 Bm C
your first love fire, then you
 G **Am**
told how much you should that
 Dsus
i can never be.....

refrain;

G **Dsus**
waiting for the time
Em **Bm**
wishing for love
C **G**
hoping that someday would
 Am
be as so much more than
Dsus
friends.....

chorus;

G **Dsus Em**
deep within my heart, i can
 Bm C
never smile, deep within the
G **Am**
love that keeps on hearting me
Dsus G **Dsus**
apart...take me to the sky
Em **Bm C**
hold me till i cry, makes me
G
forget that one....
Am D7 G

lonely summer time.....

II

(same chords I)

I ve alone, i ve been so sad
since you said goodbye,will
be friends i must pretend
though it really heart inside,
just take my heart, when you
smile and close your eyes
the day that keep stronger,
stronger day by day.....
