

**Take Everything**  
**Rivers & Robots**

Key: C

[G] [Dm] [Am] [F]

Father of light, shine Your light in me  
Take these weak hands  
And use them for Your needs  
You made these eyes, so that I could see  
The holy things, and all You have for me

Once lost in the dark  
But You've uncovered me  
Your eyes of fire are burning after me  
A hole in the soul  
That's only filled by You  
I lift my eyes, and I turn to You

Everything is loss, when I feel Your love  
Nothing I have found  
Comes anywhere close to You  
I love You more than anything  
You alone satisfy every longing

[C] [Dm] [Am] [F]

I am Yours, take everything  
My mind, my heart, my soul  
Because You're zealously after it  
You can have it, You can have it  
I surrender, I surrender
