## I Dont Want To Let You Go Rivers Cuomo

Capo on 1st fret

G

All the times you came to me and told me that you cared  $\mathbf{Em}$ 

I was dreaming of happy days that both of us could share  $oldsymbol{c}$ 

Maybe I got to excited and maybe you freaked out  $\mathbf{r}$ 

Maybe I just have to call you up and scream and shout

G

All my friends tell me I ought to play it cool  ${\bf Em}$ 

No one likes too much attention from a desperate fool  $\boldsymbol{\mathtt{C}}$ 

Still I don t believe that I can keep it all inside  ${\bf D}$ 

When I see your pretty face I almost want to cry

G Em

I know it isn t right

C

But still I have to fight

D

I have to let you know

G

I don t wanna let you go

I remember the days when I was stronger than the wall Trying singing but he might they couldn t move me at all Now I fall to pieces when you softly call my name Going up in smokes just like moth inside your flames I lost of hopes of being normal once again I would be as good to you until the bitter end Even if it s a hundred years before you change your mind I will be waiting girl until the end of time

I know it isn t right
But still I have to fight
I have to let you know
I don t wanna let you go

I know it isn t right
But still I have to fight
I have to let you know
I don t wanna let you go

And baby it s still in me
But I can t let it be
I have to let you know
I don t wanna let you go

My first tab, but easy song to play :) Hope you enjoy! - Amy E.
