

Ill Think About You
Rivers Cuomo

G **C** **G** **C**
I ve been standing here for a long, long time
G **C** **G** **C**
Thinking bout the fight we had, oh
G **C** **G** **C**
Now maybe we re all through
G **C** **G** **C**
Or we ve just begun
G **C** **G** **C**
But there s just one thing I need to say
C **D**
Everywhere I go,
G **Em**
And everything I do,
C **D**
No matter who s I am
G
I ll think about you
G **C** **G** **C**
It may have been a game
G **C** **G** **C**
It might have hurt a lot
G **C** **G** **C**
But no one put you in the ring, oh
G **C** **G** **C**
And so we kissed goodbye,
G **C** **G** **C**
You know I love you true
G **C** **G** **C**
You know I love playing with you, oh

C **D**
Everywhere I go,
G **Em**
And everything I do,
C **D**
Ten years down the road
G **Em**
Ten girls under my shoe
C **D**
No matter who s I am
G
I ll think about you

C **D**
Everywhere I go,

G **Em**
And everything I do,
C **D**
Ten years down the road
G **Em**
Ten girls under my shoe
C **D**
No matter who s I am
G
I ll think about you
