Riverside
We Got Used To Us

G

Bb5

When I scroll back through our recent days
I try to understand

Gm **D# - Cm**

How we could forget

Gm

We made a promise to one another

D# Cm

That nothing would ever break what we had

Now we never talk when we fall apart

We never talk when we fall apart

We pretend we re ok

Surrounding ourselves with one-way friendships

G#

And so-called friends

Gm

I know we got used to new us

F

And I don t want to be there

C

I don t want to be there

D#

Where we are

Gm

I know we got used to new life

F

And I don t want to be there

C

No, I don t want to be there

D#

Where we are

Gm

Silence fallen between

All the doors are locked

D#

All the words unsaid

Cm

And we re still afraid of time

Started to keep ourselves

At a distance that we could control

Not too close
Not too far
Now we never talk when we fall apart
We just never talk when we fall apart
We pretend weâ€™re ok
By filling up our inner space
With little hates

G#

And so-called love

Gm

I know we got used to new us

F

And I don t want to be there

C

I don t want to be there

D#

Where we are

Gm

I know we got used to new life

F

And I don t want to be there

C

No, I don t want to be there

D#

Where we are

So walk away with me

These are just the basic chords, but it s something!
