

**We Got Used To Us
Riverside**

Riverside
We Got Used To Us

G#

B5

When I scroll back through our recent days
I try to understand

G#m E - C#m

How we could forget

G#m

We made a promise to one another

E C#m

That nothing would ever break what we had
Now we never talk when we fall apart
We never talk when we fall apart
We pretend we re ok
Surrounding ourselves with one-way friendships

A

And so-called friends

G#m

I know we got used to new us

F#

And I don t want to be there

C#

I don t want to be there

E

Where we are

G#m

I know we got used to new life

F#

And I don t want to be there

C#

No, I don t want to be there

E

Where we are

G#m

Silence fallen between
All the doors are locked

E

All the words unsaid

C#m

And we re still afraid of time
Started to keep ourselves
At a distance that we could control

Not too close
Not too far
Now we never talk when we fall apart
We just never talk when we fall apart
We pretend weâ€™re ok
By filling up our inner space
With little hates

A

And so-called love

G#m

I know we got used to new us

F#

And I don t want to be there

C#

I don t want to be there

E

Where we are

G#m

I know we got used to new life

F#

And I don t want to be there

C#

No, I don t want to be there

E

Where we are

So walk away with me

These are just the basic chords, but it s something!
