We Got Used To Us

A

C5

When I scroll back through our recent days
I try to understand

Am F - Dm

How we could forget

Am

We made a promise to one another

F Dm

That nothing would ever break what we had

Now we never talk when we fall apart

We never talk when we fall apart

We pretend we re ok

Surrounding ourselves with one-way friendships

Bb

And so-called friends

Am

I know we got used to new us

G

And I don t want to be there

D

I don t want to be there

F

Where we are

Am

I know we got used to new life

G

And I don t want to be there

D

No, I don t want to be there

F

Where we are

Am

Silence fallen between

All the doors are locked

F

All the words unsaid

Dm

And we re still afraid of time

Started to keep ourselves

At a distance that we could control

Not too close
Not too far
Now we never talk when we fall apart
We just never talk when we fall apart
We pretend weâ€™re ok
By filling up our inner space
With little hates

Bb

And so-called love

Am

I know we got used to new us

G

And I don t want to be there

D

I don t want to be there

F

Where we are

Am

I know we got used to new life

G

And I don t want to be there

D

No, I don t want to be there

F

Where we are

So walk away with me

These are just the basic chords, but it s something!
