Roadkill Ghost Choir

Intro:

Em G D C (x2)

Em **G**
 Oh put it on, take it off real quick
D **C**
 on the bottom of the pile, Iâ€™m feelin sick.
Em **G**
 It never cross my mind, That my baby lied, no-
D **C**
 To keep me in the beggarâ€™s guild.

Em **G**
 So I sleep all day and I dream all night
D **C**
 with the bottle in my hand I take the devil's side.
Em **G**
 I smile real big just to keep it hid
D **C**
 oh, the truth about my lack of will.

Oh I run like hell from the city's glow
I lose my name, I pass and forget the folks I used to know.
If I go far away from the city gates
and the long reach of the government.

Em **G**
 Oh all alone in a cold north scene,
D **C**
 in the blue sky above a plane flew over me.
Em **G**
 The banner it pulled said "you were a fool,"
D **C**
 "did you really think you'd ever win?"

D **C**
Iâ€™m taking off my dirty skin.
D **C**
There is nothing to refute my sin.
