F#m A
Oh put it on, take it off real quick
E D
on the bottom of the pile, Iâ€™m feelin sick.
F#m A
It never cross my mind, That my baby lied, no-
E D
To keep me in the beggarâ€™s guild.

F#m A
So I sleep all day and I dream all night
E D
with the bottle in my hand I take the devilâ€™s side.
F#m A
I smile real big just to keep it hid
E D
oh, the truth about my lack of will.

F#m A
Oh I run like hell from the cityâ€™s glow
E D
I lose my name, I pass and forget the folks I used to know.
F#m A
If I go far away from the city gates
E D
and the long reach of the government.

F#m A
Oh all alone in a cold north scene,
E D
in the blue sky above a plane flew over me.
F#m A
The banner it pulled said â€œyou were a fool,â€•
E D
â€œdid you really think youâ€™d ever win?â€•

E D
Iâ€™m taking off my dirty skin.
E D
There is nothing to refute my sin.

Well the steep demands of the higher call
E D

I ll burn my clothes and I ll gut my soul
E D
and pretend that I was never born (ayyyyah yeah).

F#m A
Oh my oh my, look what you have done
E D
Split your head out on the floor like you're the chosen one.

F#m A
I gave her my heart but she wanted no part
E D
so I sold it to an antique store.

F#m A
So I dug a hole four thousand miles down
E D
To the center of the Earth where I will not be found.

F#m A
Memories of the moon singing see you soon,
E D
Though I was always partial to the sun.

They said we're taking you downtown, forget about your call.
