The basic fingerstyle pattern is found there too.

[Verse 1]

G **Cadd9**
The third of June, just another Monday morning
G **Cadd9**
When I woke up seemed like any other day
G **Cadd9**
But those few words they broke me without warning
Am
I thought I was fine
C
Back when you were mine

[Pre-Chorus]

G **Cadd9**
A thousand times I tried to call but I
G **Cadd9**
I just couldn't put up the fight

[Chorus]

G **Cadd9**
If you see me walking on by
Em7
Don't be afraid to say hello
Dsus4/F#
Don't be a girl I used to know
G
Baby
Cadd9
And if you see my head hanging low
Em7
Sat in a place we used to go
Dsus4/F# **G**
Looking at polaroids before you were a stranger

[Verse 2]

G **Cadd9**
I lost my love down at Picadilly station
G **Cadd9**
Should've said those words, should've told you how I felt
G **Cadd9**
But I let you leave not a word of hesitation
Am
I thought I was fine

Back when you were mine

[Pre-Chorus]
