Tokyo Hotel
Roadtrip

[Intro] **E A C#m B**

```
E                       B       E
  I never thought you d believe me
                  A       B
If I said I was into you
E                       B       E
But I ain t never had this feeling
A                 B         E
Now I know that you know it s true

                  B       E
If I show you how I feel tonight
A                     G#m       B
Would you know that you know it s right
C#m                                       C#m
Girl I know what I m saying when I m laying my cards
        E                   B
I ain t playing no games with you

A           E                   B               C#m   E   A
This is the part where I tell you a lie and say I m not in love
            E                   B
This is the part where I say I should leave

E                         A
If I leave my love in your hands
B           C#m
Tell me you ll keep it safe for me
                  E
I feel you in every single beat baby
E           A
Tokyo Hotel, Japan
B         C#m
Baby I ll fly around the world
                  B
But I ll never meet another girl (like you)

E                     B   A
I fell in love with a Roadie
A                     B       E
I fell in love with her on the road
                      B   G#m
Acted like she didn t know me
A                 C#m   B
But then I saw her at the show
```

```
E                                               A
I wrote her number on the back of her hand
                             F#m
Then she called before I left Japan
   B       C#m                          E    C#m
She said I know what I m saying when I m laying my cards
        B                     B
I ain t playing no games with you

A           E                     B                 C#m   E   A
This is the part where I tell you a lie and say I m not in love
              E                     B
This is the part where I say I should leave

E                         A
If I leave my love in your hands
B           C#m
Tell me you ll keep it safe for me
                 E
I feel you in every single beat baby
E           A
Tokyo Hotel, Japan
B         C#m
Baby I ll fly around the world
               B
But I ll never meet another girl (like you)

E                           A
If I leave my love in your hands (If I leave my love)
A       B       C#m
Tell me you ll keep it safe for me (keep it safe)
            B
I feel you in every single beat (every beat baby)
     E               A
Baby Tokyo Hotel Japan, (Tokyo Hotel)
B           A
Baby I ll fly around the world
    C#m         B           E       B
But I ll never meet another girl
         E
Like you

                        A
One nigh I know you ll be riding
       C#m
Riding with me
     E                     B
One nigh I know you ll be riding
E                         A
One nigh I know you ll be riding
E       C#m
Riding with me
     E                       B
```

One nigh I know you ll be riding
Like you
