**Bm G D A**

**Bm** **G,i**  
Late September I was making my way  
**D** **A**  
To places that I never should go  
**Bm** **G,i**  
Red lights flashing on and on  
**D** **A**  
Just like they re calling me homeai  
**Bm** **G,i**  
Don t you know i ve been aroundu|e  
**D** **A**  
But never got anywhere fast  
**Bm** **G**  
Making my way through the underground  
**D** **A** **A**  
Where nothing ever lasts

Chorus:

**G** **D** **A**  
Goodnight all you blue eyed angels  
**G** **D** **A**  
good night good night good night  
**G** **D** **A**  
lovin you is way to dangerous  
**G** **D** **A** **A**  
I ve already made up my mind

Verse 2:

**Bm** **G,i**  
Just enough money to get the job done  
**D** **A**  
Just enough drinks so i don t feel  
**Bm** **G** **D** **A**  
Baby thats all you need when you beg borrow and steal  
**Bm** **G**  
Well the truth doesn t matter its never really mattered  
**D** **A**

Enough for me to change

**Bm**

**G**

Tomorrows words falling on my ears

**D**

**A**

**A**

Never sounded so strange

Chorus

Solo

Verse 3:

**Bm**

**G**

If i dont see you when the sun dont shine

**D**

**A**

I ll see you when i m on my knees

**Bm**

**G**

Cuz when the darnkess comes

**D**

**A**

I m so easy to please

Chorus (light progression)

Chorus (heavy)
