

**My Kindness Shall Not Depart From Thee**  
**Rob Gardner**

[Verse 1]

**A D Bm**  
For a little while have I forsaken thee;  
**G A G D**  
But with great mercies will I gather thee.  
**A D F#m Bm**  
In a little wrath I hid my face from thee  
**G**  
For a moment.  
**F#m Bm G**  
But with everlasting kindness will I gather thee,  
**F#m Bm G**  
And with mercy will I take thee ~neath my wings,  
**F#m Bm G**  
For the mountains shall depart, and the hills shall be removed,  
**F#m G**  
And the valleys shall be lost beneath the sea,  
**Em G**  
But know, my child,  
**Em D G A D**  
My kindness shall not depart from thee!

[Verse 2]

**A D Bm**  
Though thine afflictions seem at times too great to bear,  
**G A G D**  
I know thine every thought and every care.  
**A D F#m Bm**  
And though the very jaws of hell gape after thee  
**G**  
I am with thee.  
**F#m Bm G**  
And with everlasting mercy will I succor thee,  
**F#m Bm G**  
And with healing will I take thee ~neath my wings.  
**F#m Bm G**  
Though the mountains shall depart, and the hills shall be removed,  
**F#m G**  
And the valleys shall be lost beneath the sea,  
**Em G**  
Know, my child,  
**Em D G A D**  
My kindness shall not depart from thee!
