

Sometime Well Understand
Rob Gardner

[Verse 1]

G **Am** **G** **C**
Not now, but in the coming years,
G **Am** **G** **C**
It may not be when we demand,
 Em **G** **C** **G**
We ll read the meaning of our tears,
 Am **G** **D**
And there, sometime, we ll understand

[Verse 2]

G **Am** **G** **C**
Why what we long for most of all
G **Am** **G** **C**
Eludes our open, pleading hand;
 Em **G** **C** **G**
Why ever silence meets our call,
 Am **G** **D**
Somewhere, sometime, we ll understand.

[Chorus]

Em **G** **Em** **C**
So trust in God through all thy days;
 Em **G** **C** **D**
Fear not, for He doth hold thy hand;
 Em **G** **Em** **A**
Though dark thy way, still sing and praise,
 Am **C** **G**
Sometime, sometime we ll understand.

G **Am** **G** **D**

[Verse 3]

G **Am** **G** **C**
Sometime, we ll fall on bended knee,
G **Am** **G** **C**
And feel there, graven on His hand
 Em **G** **C** **G**
Sometime with tearless eyes we ll see
 Am **G** **D**
What, here, we could not understand.

[Chorus]

Em **G** **Em** **C**
So trust in God through all the days;
 Em **G** **C** **D**
Fear not, for He doth hold thy hand;

Em **G** **Em** **A**
Though dark thy way, still sing and praise,
 Am **G** **Em** **A**
Sometime, sometime we ll understand.

[Refrain]

Em **G** **Em** **A**
Though dark thy way, still sing and praise,
 Am **C** **G**
Sometime, sometime we ll understand.

G **Am** **G**
