

I Was Broken
Rob Pattinson

I Was Broken
covered by Rob Pattinson
originally by Marcus Foster

I ve seen quite a few tabs for this, but I felt like they were missing the little things that he does while playing. Hopefully this is right, and the lyrics are good, because it sounds like it to me and it s my first tab I ve put on here. If you have any questions, let me know.

I wasn t sure what some of the chords were, so I just made up names.

*He likes to go back and forth between the D and Dsus4. Listen to the song for the strumming and switches.

G G/C G/C* G/C G

G G/C G
I was broken
 D/F# Cadd9

 G G/C G

 D/F# Cadd9

G G/C G

 D/F# Em
No one loves the nighttime at the door
 Dsus4 D
Haunted by the things I ve deemed

Something between the burning light and the dusty shade

Said I used to think the past was dead and gone

But I was wrong, so wrong

Whatever makes you blind just makes you strong, makes you strong

And by the time I m melting into many forms

From the day that I was born

And I know that there is no place to hide

Something between the burning shade and the faded light

And I was broken for a long time

But it s over now

And I was broken for a long time

But it s over now

Yes you, yeah you walk these lonely streets and people stare

People stare

Now some fool just got near

And I do pretend

Now I m free from all the things that saved my friends

And I was debted to the end

Now I know I can change the mood

Something between the burning shade and the faded light

And I was broken for a long time

But it s over now, it s over now

Mm it s over now, now, now

It s over now, it s over now.

It s over now, now, now
