Em

I'm free of my disease

B Em

Yeah well free of my disease

B Em

Set me Free of my disease

***Don't be too critical, I know some of the chords like Em7 and B7 but Em and B are easier but most of the placing is right or at least close. If any questions right them in the comment space and I'll see what's up w/ it. Great video on youtube of Rob Thomas acoustic version of disease so check that one out for placing. Thanks, Rob.
