

**Her Diamonds**  
**Rob Thomas**

**G#**

Oh what the hell she says

**Bb** **C#m**

I just can't win for losing

**G#**

And she lays back down

**G#**

Man there's so many times

**Bb** **C#m**

I don't know what I'm doing

**G#**

Like I don't know now

**G#**

By the light of the moon

**Bb**

She rubs her eyes

Says it's funny how the night

**C#m**

Can make you blind

**G#**

I can just imagine

**G#**

And I don't know what I'm supposed to do

**Bb**

**C#m**

But if she feels bad then I do too

**G#**

So I let her be

**G#**

And she says Ooh

**Eb**

I can't take no more

**Ebm**

Her tears like diamonds on the floor

**C#**

And her diamonds bring me down

**G#**

Cuz I can't help her now

**Eb**

She's down in it

**Ebm**

She tried her best and now she can't win it's

**C#**

Hard to see them on the ground

**G#**

Her diamonds falling down

**Bb C#m G#**

**G#** **Bb** **C#m**

She sits down and stares into the distance

**G#**

And it takes all night

**G#** **Bb** **C#m**

And I know I could break her concentration

**G#**

But it don't feel right

**G#**

By the light of the moon

**Bb**

She rubs her eyes

**C#m**

Sits down on the bed and starts to cry

**G#**

And there's something less about her

**G#**

And I don't know what I'm supposed to do

**Bb**

**C#m**

So I sit down and I cry too

**G#**

And don't let her see

**G#**

And she says Ooh

**Eb**

I can't take no more

**Bbm**

Her tears like diamonds on the floor

**C#**

And her diamonds bring me down

**G#**

Cuz I can't help her now

**C#m** **G#**  
Tries to close her eyes  
**Fm**  
If she can find daylight  
**Bbm**  
She ll be all right
