[Intro] F# C# G#m B

F# C#
Let it go, let it roll right off your shoulder
G#m B
Don't you know, the hardest part is over
F# C#
Let it in, let your clarity define you
G#m B F#
In the end, we will only just remember how it feels

F# C# G#m
Our lives are made in these small hours
B C# F#
These little wonders, these twists and turns of fate
C# G#m
Time falls away but these small hours
B C# F#
These small hours still remain

(F# C# G#m B)

F# C#
Let it slide, let your troubles fall behind you
G#m B
Let it shine until you feel it all around you
F# C#
And I don't mind if it's me you need to turn to
G#m B F#
We'll get by, it's the heart that really matters in the end

F# C# G#m
Our lives are made in these small hours
B C# F#
These little wonders, these twists and turns of fate
C# G#m
Time falls away but these small hours
B C# G#m
These small hours still remain

G#m Ebm C#
All of my regret will wash away somehow
G#m Ebm C# F#
But I can not forget the way I feel right now
