

**Now Comes The Night**

**Rob Thomas**

artist:rob thomas  
song title:now comes the night  
album:...something to be  
tabbed by:gLn, kodyband21@yahoo.com

Intro:D G D

D G D Bm G D  
When the hour is upon us, and our beauty surely gone  
Bm G D Bm G D  
No you will not be forgotten and you will not be alone  
Bm G D  
No you will not be alone

D G D  
And when the day has all but ended  
Bm G D  
And our echo starts to fade  
Bm G D  
No you will not be alone then  
Bm G D Bm G D  
And you will not be afraid no you will not be afraid

D G D Bm G D  
And when the fog has finally lifted from my cold and tired brow  
Bm G D  
No I will not leave you crying  
Bm G D -Bm G D-Bm G D  
No I will not let you down no I will not let you down I will not let you down

Bm G  
Now comes the night feel it fading away  
D A  
And the soul underneath is it all that remains  
Bm G  
So just slide over here, leave your fear in the fray  
D A  
Let us hold to each other till the end of our days

D G D-Bm G D  
When the hour is upon us, and our beauty surely gone  
Bm G D/Bm G A\* Bm  
No you will not be forgotten and you will not be alone  
G A D (G-D)  
No you will not be alone
