

**Beautiful Scandalous Night**  
**Robbie Seay Band**

[Intro/Outro]

**Em**   **D/F#**   **G**   **G/B**   **C**   Repeat

[Verse 1]

**G**                  **C**                  **G**  
Go on up to the mountain of mercy  
          **G**                  **D**                  **G**  
To the crimson perpetual tide  
          **D**                  **D**  
Kneel down on the shore  
          **C**                  **G**  
Be thirsty no more  
          **G**                  **D**          **G**  
Go under and be purified

[Verse 2]

**G**                  **C**          **G**  
Follow Christ to the holy mountain  
          **G**                  **D**                  **G**  
Sinner sorry and wrecked by the fall  
          **D**                  **D**  
Cleanse your heart and your soul  
          **C**                  **G**  
In the fountain that flows  
          **G**                  **D**                  **G**  
For you and for me and for all

[Chorus]

**D**                                  **C**          **G**  
At the wonderful, tragic, mysterious tree  
          **D**                                  **C**                  **G**  
On that beautiful, scandalous night you and me  
          **D**                          **B**                  **Em**          **C**  
We re atoned by His blood and forever washed white  
          **G**                  **D**                  **G**  
On that beautiful, scandalous night

[Verse 3]

**G**                  **C**                  **G**  
On the hillside, you will be delivered

**G**                  **D**          **G**  
At the foot of the cross justified  
          **D**                  **D**  
And your spirit restored  
          **C**                  **G**  
By the river that pours  
          **G**                  **D**          **G**  
From our blessed Savior s side

[Chorus]

**D**                                  **C**          **G**  
At the wonderful, tragic, mysterious tree  
          **D**                                  **C**          **G**  
On that beautiful, scandalous night you and me  
          **D**                  **B**                  **Em**          **C**  
We re atoned by His blood and forever washed white  
          **G**                  **D**          **G**  
On that beautiful, scandalous night
