Intro: C G Em D 2x

C G Em D  
Oh, oh, oh, crazy love  
C G Em D  
Oh, oh, oh, crazy love

C G  
Restart your love  
Em D  
My heart, it's all been saved for you  
C G  
Repair, not in part  
Em D  
In whole, through all that we've been through  
C G  
Every dream that I'm feeling now  
Em D  
Every hope that remains somehow  
C G  
If we part, I won't  
Em D  
Have the chance to say

Oh, oh, oh, crazy love  
Oh, oh, oh, crazy love

You are my love  
So far we've made it through the storm  
They say our love  
No way it survives the circumstance  
But here we are and believing now  
That our love will remain somehow  
Crazy to even think I almost walked away

Oh, oh, oh, crazy love  
Oh, oh, oh, crazy love  
Oh, oh, oh, crazy love  
(Oh, it's never been easy, never safe  
It's enough, it's enough)  
Oh, oh, oh, crazy love

Em  
Arms wide, you welcome me  
C  
Hands tied, you set them free  
Em

And oh, can you hear the call to believe?

Is this how love goes?

I don't even know what this world may bring
