

**New Day**

**Robbie Seay Band**

Capo 2

**C**

I m gonna sing this song

**Am7**

**F**

To let you know that you re not alone

**G**

And if you re like me you need hope, coffee, and melody

**C**

So sit back down

**Am7**

**F**

Let the world keep spinning â€˜round

**G**

For yesterday s gone and today is waiting on you to show your face

**C**

It might not be

**Am**

The prettiest thing that you ll ever see

**F**

**G**

But itâ€™s a new day, oh baby, itâ€™s a new day

**C**

And it might not look like

**Am**

A beautiful sunrise

**F**

**G**

But it s a new day, oh baby, itâ€™s a new day

Iâ€™m a pilgrim soul

I ve traveled far and come back home

This land is hard and cold

For those who long to love

And I know it might seem

That the world is crumbling

But itâ€™s me and you dancing in the kitchen at 2 am

And we re still alive

Chorus

**C**

Itâ€™s the calm of the storm that comes blowing in

**Am**

Itâ€™s the springtime saying I m back again

**F**

The clouds that roll by crossing moonlight

**G**

Me and you love â€" everything s alright

**C**

Standing in the rain with nowhere to go

**Am**

Laughing and we re spinning and I hope that you

**F**

Remember this day for the rest of your life

**G**

Me and you love â€" everythingâ€™s gonna be alright

Chorus
