

**New Day**

**Robbie Seay Band**

Capo 2

**D**  
I m gonna sing this song  
**Bm7** **G**  
To let you know that you re not alone  
**A**  
And if you re like me you need hope, coffee, and melody

**D**  
So sit back down  
**Bm7** **G**  
Let the world keep spinning â€˜round  
**A**  
For yesterday s gone and today is waiting on you to show your face

**D**  
It might not be  
**Bm**  
The prettiest thing that you ll ever see  
**G** **A**  
But itâ€™s a new day, oh baby, itâ€™s a new day

**D**  
And it might not look like  
**Bm**  
A beautiful sunrise  
**G** **A**  
But it s a new day, oh baby, itâ€™s a new day

Iâ€™m a pilgrim soul  
I ve traveled far and come back home  
This land is hard and cold  
For those who long to love  
And I know it might seem  
That the world is crumbling  
But itâ€™s me and you dancing in the kitchen at 2 am  
And we re still alive

Chorus

**D**  
Itâ€™s the calm of the storm that comes blowing in  
**Bm**  
Itâ€™s the springtime saying I m back again  
**G**  
The clouds that roll by crossing moonlight  
**A**  
Me and you love â€˜ everything s alright

**D**

Standing in the rain with nowhere to go

**Bm**

Laughing and we re spinning and I hope that you

**G**

Remember this day for the rest of your life

**A**

Me and you love â€" everythingâ€™s gonna be alright

Chorus
