

**Raise My Voice**  
**Robbie Seay Band**

The acoustic guitar plays this capo 4 and plays the song with traditional key of G chords (**G**, **C**, **D**, **Em**), but I m listing the song with the actual notes played.

Verse 1:

**B**  
If everything I had was lost, If everything I had was gone  
**E**  
If everything I knew was suddenly a fraud, and all I had was you holding on  
**B**  
Would it all be the same, could I find beauty in the pain?  
**E**  
Would I sing Your praise, would I seek Your face?

Chorus:

**B**  
I raise my voice loud and sing,  
tell them all what you ve done for me  
**E**  
Even in my darkest days,  
I m gonna sing Your praise  
**B**  
I raise my voice loud and sing,  
tell them all what you ve done for me  
**E**  
Even in my darkest days, I m gonna sing Your praise

Verse 2:

**B**  
Everywhere I look today, every common tree is ablaze  
**E**  
With the fire of God the maker of the stars, and the healer of my heart  
**Abm**  
Where would I be if you never gave me the eyes to see  
**E**  
I praise you, oh I praise you

Chorus

Bridge:

|  |          |          |
|--|----------|----------|
| <b>Abm</b>                                     | <b>E</b> | <b>B</b> |

| <b>Abm</b>                                     | <b>E</b> | <b>B</b> |

Your peace is like a river flooding my soul

**Abm** **E**

It is well with my soul

**Abm** **E**

It is well with my soul

It is well with my soul
