

Raise My Voice
Robbie Seay Band

The acoustic guitar plays this capo 4 and plays the song with traditional key of G chords (**G#**, **C#**, **Eb**, **Fm**), but I m listing the song with the actual notes played.

Verse 1:

C
If everything I had was lost, If everything I had was gone

F
If everything I knew was suddenly a fraud, and all I had was you holding on

C
Would it all be the same, could I find beauty in the pain?

F
Would I sing Your praise, would I seek Your face?

Chorus:

C
I raise my voice loud and sing,
tell them all what you ve done for me

F
Even in my darkest days,
I m gonna sing Your praise

C
I raise my voice loud and sing,
tell them all what you ve done for me

F
Even in my darkest days, I m gonna sing Your praise

Verse 2:

C
Everywhere I look today, every common tree is ablaze

F
With the fire of God the maker of the stars, and the healer of my heart

Am
Where would I be if you never gave me the eyes to see

F
I praise you, oh I praise you

Chorus

Bridge:

Am **F** **C**
Your grace is like an ocean crashing with hope
