

**Raise My Voice**  
**Robbie Seay Band**

The acoustic guitar plays this capo 4 and plays the song with traditional key of G chords (**A, D, E, F#m**), but I m listing the song with the actual notes played.

Verse 1:

**C#**

If everything I had was lost, If everything I had was gone

**F#**

If everything I knew was suddenly a fraud, and all I had was you holding on

**C#**

Would it all be the same, could I find beauty in the pain?

**F#**

Would I sing Your praise, would I seek Your face?

Chorus:

**C#**

I raise my voice loud and sing,  
tell them all what you ve done for me

**F#**

Even in my darkest days,  
I m gonna sing Your praise

**C#**

I raise my voice loud and sing,  
tell them all what you ve done for me

**F#**

Even in my darkest days, I m gonna sing Your praise

Verse 2:

**C#**

Everywhere I look today, every common tree is ablaze

**F#**

With the fire of God the maker of the stars, and the healer of my heart

**Bbm**

Where would I be if you never gave me the eyes to see

**F#**

I praise you, oh I praise you

Chorus

Bridge:

**Bbm**

**F#**

**C#**

Your grace is like an ocean crashing with hope

**Bbm**

**F#**

**C#**

Your peace is like a river flooding my soul

**Bbm** **F#**

It is well with my soul

**Bbm** **F#**

It is well with my soul

**Bbm** **Eb** **F#**

It is well with my soul
