

Be A Boy
Robbie Williams

Intro: Dm F Am C (4x)

Dm F
When you re young you hope to be
Am C
Menacing in vanity
Dm F
6 feet tall, maybe more
Am C
Bigger now than before

Dm F
They said it was leaving me
Am C
The magic was leaving me
Dm F
I don t think so
Am C
I don t think so

Dm F
They said it was leaving
Am C
They said it went on
Dm F
Now I could make this last forever
Am C
And be a boy, and be a boy

Dm F
When you re young you hope to see
Am C
And carve your name into the street
Dm F
Bout your words of satellites
Am C
That keep the wasted up tonight

Dm F
They said it was leaving me
Am C
The magic was leaving me
Dm F
I don t think so
Am C

I don t think so

Dm **F**
They said it was leaving

Am **C**
They said it went on

Dm **F**
Now I could make this last forever

Am **C**
And be a boy, and be a boy

Dm **F**
There s safety in the jungle

Am **C**
If you treat it like a toy

Dm **F**
Make sure you talk to strangers

Am **C**
And be a boy, and be a boy

Be a boy

Dm F Am C (2x)

Dm **F**
They said it was leaving me

Am **C**
The magic was leaving me

Dm **F**
I don t think so

Am **C**
I don t think so

Dm F Am C (2x)

Dm **F**
All of the boys are gonna be someone

Am **C**
The time you caught but it was gone

Dm **F**
The time you caught but it was gone

Am **C**
It takes a big man to be someone

Dm **F**
All of the boys are gonna be someone

Am **C**
The time you caught but it was gone

Dm **F**
The time you caught but it was gone

Am **C**
It takes a big man to be someone

I m half your age and lived twice your life
And hide on streets, you walk tonight
The time you caught but it s not mine
It takes a big man to be someone

I m half your age and lived twice your life
And I don t sleep alone tonight
The time you caught but it s not mine
It takes a big man to be someone
