

Candy
Robbie Williams

A

I was there to witness

Candice s inner princess

F#m

She wants the boys to notice

D

Her rainbows, and her ponies

A

She was educated

But could not count to ten

F#m

How she got lots of different horses

D

By lots of different men

And I say

A

Liberate your sons and daughters

F#m

The bush is high

D

But in the hole there s water

A

You can get some, when they give it

F#m

D

Nothing sacred, but it s a living

A

Hey ho here she goes

Either a little too high or a little too low

F#m

Got no self-esteem and vertigo

D

Cause she thinks she s made of candy

A

Hey ho here she goes

Either a little too loud or a little too close

F#m

There s a hurricane in the back of her throat

D

And she thinks she s made of candy

A

Ring a ring of roses

Whoever gets the closest

F#m

She comes and she goes

D

As the war of the roses

A

Mother was a victim

Father beat the system

F#m

By moving bricks to Brixton

D

And learning how to fix them

A

Liberate your sons and daughters

F#m

The bush is high

D

But in the hole there s water

A

As you win

She ll be the hollywood love

F#m

And if it don t feel good

D

What are you doing this for

Now tell me

A

Hey ho here she goes

Either a little too high or a little too low

F#m

Got no self-esteem and vertigo

D

Cause she thinks she s made of candy

A

Hey ho here she goes

Either a little too loud or a little too close

F#m

There s a hurricane in the back of her throat

D

And she thinks she s made of candy

A

Liberate your sons and daughters

F#m

But in the hole there s water

A

F#m

And if you don t feel good

D

What are you doing this for

What are you doing this for
