

Candy
Robbie Williams

B

I was there to witness

Candice s inner princess

G#m

She wants the boys to notice

E

Her rainbows, and her ponies

B

She was educated

But could not count to ten

G#m

How she got lots of different horses

E

By lots of different men

And I say

B

Liberate your sons and daughters

G#m

The bush is high

E

But in the hole there s water

B

You can get some, when they give it

G#m

E

Nothing sacred, but it s a living

B

Hey ho here she goes

Either a little too high or a little too low

G#m

Got no self-esteem and vertigo

E

Cause she thinks she s made of candy

B

Hey ho here she goes

Either a little too loud or a little too close

G#m

There s a hurricane in the back of her throat

E

And she thinks she s made of candy

B

Ring a ring of roses

Whoever gets the closest

G#m

She comes and she goes

E

As the war of the roses

B

Mother was a victim

Father beat the system

G#m

By moving bricks to Brixton

E

And learning how to fix them

B

Liberate your sons and daughters

G#m

The bush is high

E

But in the hole there s water

B

As you win

She ll be the hollywood love

G#m

And if it don t feel good

E

What are you doing this for

Now tell me

B

Hey ho here she goes

Either a little too high or a little too low

G#m

Got no self-esteem and vertigo

E

Cause she thinks she s made of candy

B

Hey ho here she goes

Either a little too loud or a little too close

G#m

There s a hurricane in the back of her throat

E

And she thinks she s made of candy

B

Liberate your sons and daughters

E

The bush is high

G#m

But in the hole there s water

B

As you win

She ll be the hollywood love

G#m

And if you don t feel good

E

What are you doing this for

E

What are you doing this for

E
