Bm **F#m**
with all, the will in the world,
A **E**
im still powerless
Bm **F#m**
I find myself, breaking the girl,
A **E**
the king is half undressed
D **Bm** **D** **Bm**
Shes not my saviour, dont take my seed
D **Bm** **E**
Your in no danger, caressing me
 G **A** **D**
but your talking to a man im not supposed to be
D **Bm**

D **E**
a victory face the walk of shame
 G **A**

D **Bm**
soaking in the morning rain
D **E**
found my car forgot your name
 G **A**
been nice to hold you
