Heart And I Robbie Williams

Standard tuning Capo on the 1st

INTRO : A D

VERSE :

A D

I hope there s a golden age, I pray for ${\tt my}$ sanity

Α

Where we don t have to answer to anyone about anything

A D

This is not like the brochure, flying cars and sex machines

We re all so compliant cause everything is what it seems

Pre-Chorus

D F#m C#m E

And they can t build a satellite to tell you how loved you are

D F#m E

Or some kind of life device that holds you in you ve gone too far

A I

And I don t feel myself again, I thought I d be fixed by now

F#m E

Walking through the horizon, I find myself back here somehow

A :

Give me something to die for or design a quiet mind

F#m E

Something to like mankind for cause we don t lie, my heart and I

VERSE :

7\

You we been bending so long now, you think it s standing up

)

And they line up behind you to build you up, buttercup

7\

We can lose all meaning quicker than a credit card

D A

And not everyone s healing so try your best and don t look too hard

Pre-Chorus

D F#m C#m E

Cause they can t build a satellite to tell you what s in your heart

D F#m E

Or some kind of life device to hold you in, you ve gone too far

A

And I don t feel myself again, I thought I d be fixed by now

F#m E

Walking through the horizon, I find myself back here somehow

<u>.</u>

Give me something to die for or design a quiet mind

F#m I

Something to like mankind for cause we don t lie, my heart and I

Solo : A D F#m E

Bridge :

A D

Will I ever feel that waking? Make it as a lullaby

F#m E

Don t ask me to explain again, I can t lie to my heart and I

A D

And I don t feel myself again, I thought I d be fixed by now

F#m F

Walking through the horizon, I find myself back here somehow

A I

Give me something to die for or design a quiet mind

F#m E

Something to like mankind for cause we don t lie, my heart and I

OUTRO :

A D A I

My heart and I, my heart and I

I ve been feeling so lonely

D

Feeling so low

Α

So low I almost let go
