

Hunting For You  
Robbie Williams

INTRO: F# D# C# B

F# D#  
I walk around these empty streets  
they say theres nothing left for me  
C# B  
I say theres no one here for you  
F# D#  
down in the land, the land of the blind  
C#  
the one eyed king, he stole my mind  
B  
and I let him

F# D#  
everything I likes illegal, seductive  
C# B  
addictive immoral, corrosive, destructive  
F# D#  
but ive got kind words in my heart.  
C#  
its a passion  
B  
your fashions, in fashion

F#  
tonight im hunting for you  
D# C#  
tonight im hunting for you  
B  
tonight im hunting for

VERSE II:

F# D#  
the stone is set, the dye is cast

C#  
I am the wreckage of my past

B  
and I am not afraid to ask  
F# D#  
I sail away my sanity

C#  
just to find some company  
B  
now darling

F# D#  
everything I likes illegal, seductive  
C# B  
addictive immoral, corrosive, destructive  
F#  
your addiction to danger  
D#  
makes me no stranger  
C# B F#  
it s fashion, oh fashion

D# C# B F#  
tonight im hunting for you  
D# C#  
tonight im hunting for you  
B  
tonight im hunting for

*Bridge:*

C# F#  
I ll be good but I wont be cheap  
B  
there is no limit here for me  
C# F#  
and ill take everything I need  
B  
I mean everything, everything

*BRIDGE II:*

F# D# C# B  
You can waste away in fashion  
F# D# C# B  
When you chase the daylight home

F# D# C# B  
You can waste away in fashion  
F# D# C# B  
When you chase the daylight home
