I m an honorary Sean Connery, born 74

There s only one of me

Single-handedly raising the economy

Ain t no chance of the record company dropping me

Press be asking do I care for sodomy

I don t know, yeah, probably

I ve been looking for serial monogamy

Not some bird that looks like Billy Connolly

But for now I m down for ornithology

Grab your binoculars, come follow me

I like to drink it up

But never like to sink it
