Let Love Be Your Energy
Robbie Williams

Intro: ----   **F#**   H

```
       F#          C#        F# C#
```
Out of a million seeds
```
         F#                 C#              F# E
```
On-ly the strong-est one breathes
```
           F#          E           F# C#
```
You made a miracle mother
```
           F#            C#
```
I ll make a man out of me

Pre-Chorus:
```
A       A/F         F#m      Dm/D#          A A/F      F#m D
```
Daddy, where s the sun gone from the sky?
```
A        A/F        F#m      Dm/D#         B
```
What did we do wrong? Why did it die?
```
             D7                                              F#
```
And all the grownups say sorry kids, we got no reply

Chorus:
```
F#                            B
```
  If you re will-ing to change
```
         Amaj7               F#
```
The world let love be your energy
```
F#                          B
```
  I ve got more than I need
```
            E6add9              F#      C#
```
When your love shines down on me

```
       F#            C#        F# C#
```
Ev ry tear that you cry
```
          F#                 C#       F# E
```
Will be replaced when you die
```
               F#        E          F# C#
```
Why don t you love your brother?
```
         F#            C#
```
Are you out of your mind?

Pre-Chorus:
```
A      A/F          F#m      Dm/D#          A A/F        F#m D
```
Daddy, where s the sun gone from the sky?
```
A        A/F         F#m      Dm/D#         B
```
What did we do wrong? Why did it die?
```
                 D7                                          F#
```
And if you ve got no love for me, then I ll say goodbye

Chorus:

```
F#                          B
  If you re willing to change
        Amaj7               F#
The world  let love be your energy
F#                          B
  I ve got more than I need
              E6add9        F#
When your love  shines down on me
F#                          B
  If you re willing to change
        Amaj7               F#
The world  let love be your energy
F#                          B/C#
 I can t contain how I feel
              E              F#
When your love  shines down on me
Instr:

F#                          B
  If you re willing to change
        Amaj7               F#
The world  let love be your energy
F#                          B
  I ve got more than I need
              E6add9        F#
When your love  shines down on me
F#                          B
  If you re willing to change
        Amaj7               F#
The world  let love be your energy
F#                          B/C#
 I can t contain how I feel
              E              F#
When your love  shines down on me

B                           A     F#    F#
  If you re willing to change
```

```
B                             E     F#    F#
   I got more than I need
B                             A     F#    F#
   If you re willing to change
B                             E     F#    F#
   I got more than I need
