

Love Somebody  
Robbie Williams

Intro: C Em Fmaj7 Am

Am G  
Always and forever, is forever young  
C Am B  
Your shadow on the pavement, the dark side of the sun  
Am G  
Got a dream the dream all over and sleep it tight  
C G D  
You don't wanna sing the blues in black and white  
Am D  
And it's hope that springs eternal for everyone  
Am  
If it ain't broke then break it  
E B  
On the damage done  
Chorus:  
Em B  
Try and love somebody  
Em Am  
Just wanna love somebody right now  
Em B E  
There's just no pleasing me  
Em B  
Try and love somebody  
Em Am  
Just wanna love somebody right now  
Em E  
Lady lay your love on me  
C Em Fmaj7 Am  
Am G  
Violet in the rainbow just melts away  
C Am H  
There not enough minutes in an hour or hours in the day  
Am G  
A song played in a circle that never skips a beat  
C G D  
A stranger in a country that I have yet to meet  
Am D  
And let's hope that springs eternal for everyone  
Am  
Your lifetime in second  
E B  
All the damage done  
Chorus:

**Em** **B**  
Trying to love somebody  
**Em** **Am**  
Just wanna love somebody right now  
**Em** **B E**  
Guess there s just no pleasing me  
**Em** **B**  
I wanna love somebody  
**Em** **Am**  
Just wanna love somebody right now  
**Em** **E**  
Lady lay your love on me

**Am** **Em**  
It ll come in your sweet time lord  
**C** **Am**  
I ve just got to let you in  
**Am** **Em**  
The blind leading the blind lord  
**B E**  
Getting underneath your skin  
**C B**  
I can feel you in the silence  
**E Am**  
Saving let forever be  
**H Am Em E**  
Love and only love will set you free  
Chorus:

**Em** **B**  
I wanna love somebody  
**Em** **Am**  
Wanna love somebody right now  
**Em** **B E**  
There s just no pleasing me  
**Em** **B**  
I wanna love somebody  
**Em** **Am**  
Just wanna love somebody right now  
**Em** **E**  
Lady lay your love on me  
**Am** **Em**  
It ll come in your sweet time lord  
**C Am**  
I ve just got to let you in  
**Am** **Em**  
The blind leading the blind lord  
**B E**  
Getting underneath your skin  
**C B**  
I can feel you in the silence  
**E Am**  
Saving let forever be  
**H Am Em E**

Love and only love will set you free
