

Love Somebody  
Robbie Williams

Intro: C# Fm F#maj7 Bbm

**Bbm** **G#**  
Always and forever, is forever young  
**C#** **Bbm** **C**  
Your shadow on the pavement, the dark side of the sun  
**Bbm** **G#**  
Got a dream the dream all over and sleep it tight  
**C#** **G#** **Eb**  
You don't wanna sing the blues in black and white  
**Bbm** **Eb**  
And it's hope that springs eternal for everyone  
**Bbm**  
If it ain't broke then break it  
**F** **C**  
On the damage done  
Chorus:  
**Fm** **C**  
Try and love somebody  
**Fm** **Bbm**  
Just wanna love somebody right now  
**Fm** **C** **F**  
There's just no pleasing me  
**Fm** **C**  
Try and love somebody  
**Fm** **Bbm**  
Just wanna love somebody right now  
**Fm** **F**  
Lady lay your love on me  
**C# Fm F#maj7 Bbm**  
**Bbm** **G#**  
Violet in the rainbow just melts away  
**C#** **Bbm** **H**  
There not enough minutes in an hour or hours in the day  
**Bbm** **G#**  
A song played in a circle that never skips a beat  
**C#** **G#** **Eb**  
A stranger in a country that I have yet to meet  
**Bbm** **Eb**  
And let's hope that springs eternal for everyone  
**Bbm**  
Your lifetime in second  
**F** **C**  
All the damage done  
Chorus:

**Fm** **C**  
 Trying to love somebody  
**Fm** **Bbm**  
 Just wanna love somebody right now  
**Fm** **C** **F**  
 Guess there s just no pleasing me  
**Fm** **C**  
 I wanna love somebody  
**Fm** **Bbm**  
 Just wanna love somebody right now  
**Fm** **F**  
 Lady lay your love on me  
  
**Bbm** **Fm**  
 It ll come in your sweet time lord  
**C#** **Bbm**  
 I ve just got to let you in  
**Bbm** **Fm**  
 The blind leading the blind lord  
**C** **F**  
 Getting underneath your skin  
**C#** **C**  
 I can feel you in the silence  
**F** **Bbm**  
 Saving let forever be  
**H** **Bbm** **Fm** **F**  
 Love and only love will set you free  
 Chorus:  
**Fm** **C**  
 I wanna love somebody  
**Fm** **Bbm**  
 Wanna love somebody right now  
**Fm** **C** **F**  
 There s just no pleasing me  
**Fm** **C**  
 I wanna love somebody  
**Fm** **Bbm**  
 Just wanna love somebody right now  
**Fm** **F**  
 Lady lay your love on me  
**Bbm** **Fm**  
 It ll come in your sweet time lord  
**C#** **Bbm**  
 I ve just got to let you in  
**Bbm** **Fm**  
 The blind leading the blind lord  
**C** **F**  
 Getting underneath your skin  
**C#** **C**  
 I can feel you in the silence  
**F** **Bbm**  
 Saving let forever be  
**H** **Bbm** **Fm** **F**

Love and only love will set you free
