So I face the final curtain  
**F#m** **F#m7**  
My friend, I ll say it clear  
**Ebdim B** **E**  
I ll state my case of which I m certain

**E** **Emaj7** **E7**  
I ve lived a life that s full  
**A** **Am7**  
I ve travelled each and every highway  
**E** **B**  
And more, much more than this  
**A Am E**  
I did it my way

**E** **Emaj7**  
Re-grets, I ve had a few  
**E7** **C#** **Ebdim G#dim**  
But then again, too few to men-tion  
**F#m** **F#7**  
I did what I had to do  
**Ebdim A** **E**  
And saw it through with tax ex-emption

**E** **Emaj7** **E7**  
I planned each charted course  
**A** **Am7**  
Each careful step along the by-way  
**E** **A**  
And more, much more than this  
**A E**  
I did it my way

CHORUS CHORDS

**B** **E** **Emaj7** **E7**  
Cos there were times, I m sure you knew  
**A**  
When I get all, more than I could chew  
**G#m** **F#m7** **A**  
But through it all when there was doubt  
**G#m** **C#m**

I ate it up and spit it out

**F#m7** **A**

The records show I took a boat

**A E**

And did it my way

VERSE COHRDS

I ve loved, I ve laughed and cried

I ve had my fails, my share of boozing

And now as tears subside

I find it all so confusing

To think I did all that

And may I say, not in a shy way

Oh, no, no I not me

I did it my way

For what is a man, what has he got

If not himself, then he has not

To show the world the stunning years

And not the words time would reveal

The record shows I took a blow

And did it my way

Record shows I took a blow

And did it...
