And now the end is near  
**F7** **D** **Edim Adim**  
So I face the final curtain  
**Gm** **Gm7**  
My friend, I ll say it clear  
**Edim C** **F**  
I ll state my case of which I m certain

**F** **Fmaj7** **F7**  
I ve lived a life that s full  
**Bb** **Bbm7**  
I ve travelled each and every highway  
**F** **C**  
And more, much more than this  
**Bb Bbm F**  
I did it my way

**F** **Fmaj7**  
Re-grets, I ve had a few  
**F7** **D** **Edim Adim**  
But then again, too few to men-tion  
**Gm** **G7**  
I did what I had to do  
**Edim Bb** **F**  
And saw it through with tax ex-emption

**F** **Fmaj7** **F7**  
I planned each charted course  
**Bb** **Bbm7**  
Each careful step along the by-way  
**F** **Bb**  
And more, much more than this  
**Bb F**  
I did it my way

CHORUS CHORDS

**C** **F** **Fmaj7** **F7**  
Cos there were times, I m sure you knew  
**Bb**  
When I get all, more than I could chew  
**Am** **Gm7** **Bb**  
But through it all when there was doubt  
**Am** **Dm**

I ate it up and spit it out

**Gm7**

**Bb**

The records show I took a boat

**Bb F**

And did it my way

VERSE COHRDS

I ve loved, I ve laughed and cried

I ve had my fails, my share of boozing

And now as tears subside

I find it all so confusing

To think I did all that

And may I say, not in a shy way

Oh, no, no I not me

I did it my way

For what is a man, what has he got

If not himself, then he has not

To show the world the stunning years

And not the words time would reveal

The record shows I took a blow

And did it my way

Record shows I took a blow

And did it...
