

She's Madonna
Robbie Williams

[Intro]F#m, G, G#m, C#5

I don t miss you just who you used to be
and you don t ring true so please
stop calling me
Your I love you s are ten a penny
You re dropping clues like you ve got any
You got to choose here s been so many ohhhh

I love you baby but face it she s Madonna
No man on earth could say that he don t want her
This look of love says I m leaving
you re frozen now I ve done the freezing
I m walking out Madonna s calling me

She s got to be obscene to be believed
That s her routine
Not what she means to me
I found myself
by circumstance
across a room
where people dance
And quite by chance
she danced right next me

I love you baby
but face it she s Madonna
No man on earth
would say that he don t want her
It s me not you
I ve got to move on
You re younger too
but she s got her groove on
I m sorry love
Madonna s calling me

Oh, Madonna, Madonna

I want to tell you a secret

We re having drinks
with Kate and Stella
Gwyneth s here
she s brought her fella
But all I wanna do
is take Madonna home

I love you baby
but face it she s Madonna
No man on earth
would say that he don t want her
It s me not you
I ve got to move on
You re younger too
but she s got her groove on
I m sorry love
Madonna s calling me
