VERSE I

F#                      Bbm7                      G#m7                      B  
Singing for the lonely, you re not the only one who feels this  
F#                      C#                      G#m7    F#sus4    F#  
I m so scared of what I m doing, all the time

VERSE II

F#                      Bbm7                      G#m7                      B  
Here comes wasted head-space, paranoia, anger, misplaced  
F#                      C#                      G#m7    F#sus4    F#  
Feelings leave me nowhere, all the time

PRE-CHORUS

F#sus4                      F#  
I don t wake up early every morning  
C#                      F#  
Cause the more I sleep, the less I have to say  
F#sus4                      Bbm7  
Scared of you, always thinking that I m boring  
G#m7                      C#  
Stop me yawning my life away

VERSE III

F#                      Bbm7                      G#m7                      B  
Tender young confusion, send black Mariah for blue delusions  
F#                      C#                      G#m7    F#sus4    F#  
Lays heavy, oh so heavy, on my mind

BRIDGE

Dm#5                      F#/C                      Dm#5                      F#  
I m so sick of people s expectations, leaves me tired all the time  
Dm#5                      Ebm  
If your home s full of worthless aggravation  
G#m                      C#

Then don t bring it to mine
