I know I stand in line, until you think you have the time
        C7
To spend an evening with me
And if we go someplace to dance, I know that there s a chance
You won t be leaving with me
And afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all, by saying something stupid
      F
Like: I love you
    F7
I can see it in your eyes, that you despise the same old lies
You heard the night before
And though it s just a line to you, for me it s true
It never seemed so right before
I practice every day to find some clever lines to say
To make the meaning come through
But then I think I ll wait until the evening gets late
And I m alone with you
```

The time is right your perfume fills my head, the stars get red

And oh the night s so blue

```
And then I go and spoil it all, by saying something stupid Like: I love you ( I love you, I love you,...)
```
