F#

I know I stand in line, until you think you have the time

C#7

To spend an evening with me

And if we go someplace to dance, I know that there s a chance

F#

You won t be leaving with me

F#7

And afterwards we drop into a quiet little place

B

And have a drink or two

C#7

And then I go and spoil it all, by saying something stupid

F#

Like: I love you

F#7

I can see it in your eyes, that you despise the same old lies

B

You heard the night before

C#7

And though it s just a line to you, for me it s true

F#7

It never seemed so right before

I practice every day to find some clever lines to say

To make the meaning come through

But then I think I ll wait until the evening gets late

And I m alone with you

The time is right your perfume fills my head, the stars get red

And oh the night s so blue

And then I go and spoil it all, by saying something stupid

Like: I love you

( I love you, I love you,... )
