

Something Beautiful Acoustic
Robbie Williams

If you listen to the song properly it sounds more like this
(/means play notes together quickly)

C

C **Am**
You can't manufacture a miracle
G **Dm**
The silence was pitiful - that day

And love is getting too cynical

Passion's just physical - these days

F **Dm**
You analyse everyone you meet
C
But get no sign - the loving kind
F **Dm**
Every night you admit defeat
Dm/G
And cry yourself blind

C **G**
If you can't wake up in the morning
Am **Dm**
Cause your bed lies vacant at night
C **G** **D** **Am**
If you're lost, hurt, tired or lonely
D **G**
Can't control it - try as you might

May you find that love that won't leave you

May you find it by the end of the day

You won't be lost, hurt, tired and lonely
G **D** **C**
Something beautiful will come your way
