

Something Beautiful
Robbie Williams

****Tone the guitar for F****
****Afine a guitarra ou violão pra F****

A

A **F#m**
You can't manufacture a miracle
C#m **E**
The silence was pitiful - that day
A **F#m**
And love is getting too cynical
C#m **E**
Passions just physical - these days

D **D#o**
You analyse everyone you meet
A **A7**
But get no sign - the loving kind
D **D#o**
Every night you admit defeat
A **E**
And cry yourself blind

A **C#7**
If you can't wake up in the morning
D **A**
Cause your bed lies vacant at night
A **A/G#** **F#m** **E**
If you're lost, hurt, tired or lonely
B **E**
Can't control it - try as you might
A **C#7**
May you find that love that won't leave you
Bm **A** **G**
May you find it by the end of the day
A **E** **G** **D**
You won't be lost, hurt, tired and lonely
F **G** **A**
Something beautiful will come your way
