

**Tripping**

**Robbie Williams**

**F Am Dm**  
First they ignore you  
then laugh at you and hate you  
then they fight you - then you win  
When the truth dies  
Very bad things happen  
They re being heartless again  
{Chorus}

**F Am Dm**  
I know it s coming, there s going to be violence  
**F Am Dm**  
I ve taken as much as I m willing to take  
**F Am Dm**  
Why do you think we should suffer in silence  
**F Am Dm**  
When a heart is broken, there s nothing to break

You ve been mixing with some very heavy faces  
the boys have done a bit of bird  
They don t kill their own  
and they all love their mothers  
but you re out of your depth son  
have a word  
{Chorus)

I know it s coming, there s going to be violence  
I ve taken as much as I m willing to take  
Why do you think we should suffer in silence  
The heart is broken, there s nothing to break

**Dm Am Em G**  
All is wonderful in past lives  
**Dm Am Em G**  
Dreaming of the sun she warms  
**Dm Am Em G**  
You should see me in the afterlife  
**Dm Am Em G**  
Picking up the sons of dust  
(no chords)  
When you think we re lost, we re exploring  
what you think is worthless, I m adoring  
You don t want the truth, truth is boring  
I got this fever need to  
Leave the house, leave the car  
Leave the bad men where they are  
Leave a few shells in my gun  
Stop me staring at the sun

{Chorus}

I know it s coming, there s going to be violence

I ve taken as much as I m willing to take

Why do you say we should suffer in silence

My heart is broken, there s nothing to break
